Luigi Fucili, CEO and General Manager of PM Oil & Steel SpA and Manitex Valla srl, leaves the Manitex Group to face new professional challenges:

"It was a huge pleasure for me and a great honor to have had the opportunity to live this professional and life experience for sixteen years within PM and other Group companies.

My personal thanks go to all the shareholders, suppliers, banks and customers and business partners who have given us their trust and have always followed us in the simplest periods and above all in the most complicated ones.

Finally, I would like to thank all the colleagues and collaborators of PM, Oil & Steel and Valla, both in Italy and abroad, because thanks to the great job, passion and commitment made over all these years it has been possible to achieve important Company results and to be able to face every future challenge.
